

# Christian Podcast Aligns with Media Network

*Cincinnati, Ohio, USA – March 5th, 2018* – The Voice of Reason Radio podcast (with Chris Hohnholz and Richard Story) has joined the ranks of The Muniak Media Network (MMN). The network provides solid, Biblical content that entertains and edifies Christians across the globe.

The hosts, Chris Hohnholz and Richard Story, look at news and current events through a Biblical worldview. They explore biblical theology and explain practical application of the Scriptures. Chris and Rich consider themselves to be unworthy rebels, redeemed by the King of Kings and made servants fit for His use. The only thing stranger than these two brothers are their hobbies.

The Voice of Reason Radio podcast is willing to touch upon the meaty parts of God's Word unashamedly, yet with gentleness and respect to those in other theological camps. Ephesians 4:1-3 sums it up nicely, "Walk in a manner worthy of the calling to which you have been called, with all humility and gentleness, with patience, bearing with one another in love, eager to maintain the unity of the Spirit in the bond of peace."
